

# Expressions of Love

He never looked for praises  
He was never one to boost  
He just went on quietly working  
For the ones he loved the most  
His dreams were seldom spoken  
His wants were very few  
And most of the time his worries  
Went unspoken too.

He was always there my firm foundation  
Through all my storms of life  
A sturdy hand to hold on to  
In my times of stress and strife  
A daddy and a true friend I could turn to  
When times were good and bad  
One of the greatest blessings  
The man that I call DAD  
You are the reason I am the woman, mother  
and grandmother that I am.

**Love your daughter, Bobbie**

But Grandpa's not truly gone,  
Because his memory lives on,  
In all of us who loved him,  
Never to be forgotten.

**Love Your Grandchildren**

We think about you always  
We talk about you still  
You have never been forgotten  
And you never will.  
We hold you close within our hearts  
And there you will remain.  
To walk and guide us through our lives  
Until we meet again.
