His Faithful Journey

"The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me."

(Psalm 23:1-6)

Tristan Dante Fontenot was born on August 26, 1978 in Houston, Texas to Larry Fontenot Sr. and Bonnie Fontenot.

He dedicated his life at a very young age to Jesus Christ. He was baptized at Mt. Moriah Baptist Church and remained a humbled servant of the Lord his entire life.

Tristan leaves behind three loving children, Tristan Fontenot Jr., Talia Mills and Cristan Fontenot; and one grandson, Kayden Fontenot.

He is preceded in death by his mother, Bonnie Fontenot; father, Larry Fontenot Sr.; and nephew, Derrick Welch Jr.

Tristan was a beloved brother to LaQuisia Fontenot, Larry Fontenot Jr., and Sandy Wilkins. He was a great uncle to his nieces and nephews, TaDarion Fontenot, Tailor Welch, Ashli Fontenot, Nykia Wilkins, Larry Fontenot III, Cristan Fontenot and his loving great niece, Paition Theall; and a host of aunts, uncles, cousins and friends.

Tristan enjoyed his childhood and youth in Sunnyside (4000). He attended Reynolds Elementary School, Woodson Middle School and Worthing Senior High School. As a child growing up, Tristan threw newspapers every weekend because he was one of those kids that loved money and he wanted a season pass to Astroworld every year and made sure he had it.

As a young adult, he worked at A-Rocket Moving Company.

Tristan enjoyed watching sports and spending time with his family, friends and cousins.

"GONE BUT NEVER FORGOTTEN"

When Tomorrow Starts Without Me...

*If tomorrow starts without me,
and I'm not here to see,
If the sun should rise you find your eyes
all filled with tears for me;
I wish so much you wouldn't cry
the way you did today,
While thinking of the many things
we didn't get to say.
I know how much you love me,
as much as I love you
And each time that you think of me,
I know you'll miss me too.
But when tomorrow starts without me
please try to understand,
That an angel came and called my name
and took me by the hand.
He said my place was ready,
in heaven far above
And that I'd have to leave behind
all those I dearly love.
But as I turned and walked away
a tear fell from my eye.
For all my life I'd always thought,
I didn't want to die.
I had so much to live for,
so much left yet to do.
It seemed almost impossible
that I was leaving you.
I thought of all the yesterdays
the good ones and the bad.
I thought of all the love we shared,
and all the fun we had.*

*If I could relive yesterday,
just even for a while,
I'd say goodbye and kiss you
and maybe see you smile.
But then I fully realized
that this could never be,
For emptiness and memories would
take the place of me.
When I thought of worldly things
I might miss come tomorrow
I thought of you and when I did
my heart was filled with sorrow.
When I walked through heavens gates
I felt so much at home.
God looked down and smiled at me
from his great golden throne
He said, "This is eternity and
all I've promised you"
Today your life on earth has passed
but here life starts anew.
I promise no tomorrow,
but today will always last
And since each day is the same there's
no longing for the past.
You have been so faithful
so trusting and so true.
Though there were times you did
some things you knew you shouldn't do.
You have been forgiven
and now at last you're free.
So won't you come and take my hand
and share my life with me?
So when tomorrow starts without me
don't think we're far apart,
For every time you think of me,
I'm right here in your heart.*

***In Memory of Our Beloved
- Tristan Fontenot -***

*It was beautiful as long as it lasted, the journey of my life. I have
no regrets whatsoever, save the pain I'll leave behind.
Those dear hearts who love and care and the heavy-with-sleep
ever-moist eyes, the smile in spite of a lump in the throat and
the strings pulling at the heart and soul.
The strong arms that held me up when my own strength let me
down, each morsel that I was fed with was full of love.
At every turning of my life I came across good friends,
friends who stood by me even when the time raced me by.
Farewell, farewell, my friends, I smile and bid you goodbye.
No, shed no tears for I need them not. All I need is your smile.
If you feel sad do think of me, for that's what I'll like.
When you live in the hearts of those you love, remember then...*
You Never Die!

Expressions of Love

It's so difficult to write words to sum up our history,
To say I miss you would be an understatement. We had an unbreakable bond that only we understood. No matter the others involved, we knew what was real. You knew no matter what or who was in my presence, we always had each other's back. I really hate that I wasn't able to save you from that. I would've never thought in a million years I would feel this way, but somehow I do. I really that you had to experience the evilness in this world. It was nothing you deserved, never, not you.

Love always, Yogi

You never said you were leaving, you never said goodbye,
You were gone before I knew it and only God knew why.
A million times I needed you, a million times I cried,
If love alone could have saved you, you never would have died.
In life I loved you dearly, in death I love you still
In my heart you hold a place that no one could ever fill.
It broke my heart lose you, but you didn't go alone,
For part of me went with you the day God took you home.

Love always, Treece

If tears could build a stairway, and memories a lane.
I would walk right up to Heaven and bring you back again.
No farewell words were spoken, no time to say "Goodbye".
You were gone before I knew it, and only God knows why.
My heart still aches with sadness, and secret tears still flow.
What it meant to love you - no one can ever know.
But now I know you want me to mourn for you no more;
To remember all the happy times life still has much in store.
Since you'll never be forgotten, I pledge to you today~
A hollowed place within my heart is where you'll always stay.

Your Loving Family

Expressions of Love

My heart has been left broken since the day you had to go and the memories I treasure dearly are in the tears that still flow. You're in my thoughts everyday and that's how it will always be, for you may be up in Heaven now but you'll always be with me. If only I could have the chance to see your face once more or to hear your voice one final time, just like it was before. The day that Heaven calls for me will be a relief from all this pain. I'll run to you with open arms and we will meet again.

Love, Tristan Jr., Cristan and Tailia

If there are roses in Heaven will you send one just for me,
So I can hold it close to my heart where you will always be,
I will lay it on my pillow as the angels tuck me in,
I will know that you are near me and feel your presence once again.
I am thankful for all the years you were there to help me through.
I will always remember my precious granddad whose love was honest and true.

Love, Kayden

The day you left and gained your wings my heart just broke in two,
I wish you could have stayed with me but Heaven needed you.
You left me with the memories and I love you dearly still
No matter how much time goes by, you know I always will.
You were a very special person with kindness in your heart
And the love we had together grows stronger now we're apart.
I know I cannot bring you back although I wish it everyday,
But a piece of me went with you the day you went away.

Love, Quisia, Larry Jr. and Sandy
