# TRIBUTES OF *Love*

I'm your first born and only son. You always protected me and taught me so much. Through our years together as I became a man, I tried my best to protect you. You stood by my side no matter what. I will truly miss hearing your voice and seeing your beautiful face. I will miss you, and I love you forever. From this day forward, my life will never be the same. I know you will watch over us, and I will try my best to continue to make you proud.

Get your rest my Angel. Wish me luck with the girls.

*Love,  
Chad*

Who am I gonna call to get on my siblings when they make me mad? I'm going to miss the calls from you to sneak you a piece of pecan candy. I know you thought I was the strongest, but I can't be strong this time. My heart is forever broken. I will never be the same. I love you forever.

*Your best friend,  
Mia Farrah*

I cared for you as you cared for me until the day God called you home. We had some good days, and we had some bad days, but I would do anything to have any day with you now. My life is forever changed and my heart will forever ache. I love you mom forever and always.

*Love your baby girl,  
Misty*

We meant the world to you and that we know is true. We thank God for blessing us with a loving sister. You were the oldest and was our counselor and motivator. You gave us unconditional love which was greatly appreciated it. We will miss your face, voice, presence, hugs, laughs and kisses. We will miss you, miss you, and miss you all the days of our lives. Our hearts will ache for quite a while but have no doubt that you are in God's presence. We salute you Big Sister. Fly High Jeannie and rest in sweet Jesus Arms. We pray that God will wipe the tears from our eyes and mend our broken hearts.

*Love you always & forever,  
Sherry, Henry, Juanita and your baby sister Judy*

# IF FLOWERS GROW IN *Heaven*

If flowers grow in heaven,  
Lord, then pick a bunch for us.  
Then place them in our grandmother's arms  
And tell them they're from us.

Tell her that we love and miss her  
And when she turns to smile,  
Place a kiss upon her cheek and hold her for awhile.  
Because remembering her is easy, we do it everyday  
But there's an ache within our heart that will never go away

*Love you GG,  
Grandkids*

# WHEN I AM *Gone*

When I am gone, release me – let me go  
I have so many things to see and do.  
You must not tie yourself to me with tears  
Be happy that we had so many years. I gave you love,  
you can only guess, how much you gave me in happiness.  
I thank you for the love each have shown,  
but now it is time I travelled alone.  
So grieve awhile for me if grieve you must,  
then let your grief be comforted by trust  
It is only for a while that we must part  
so bless those memories within your heart.  
I will not be far away, for life goes on.  
so if you need me, call and I will come.  
Though you cannot see or touch me, I will be near  
And if you listen with your heart, you will hear  
All of my love around you, soft and clear.  
Then when you must come this way alone,  
I will greet you with a smile and "Welcome Home"
