

CELEBRATING THE LIFE OF

Sweeney
JESSE

OUR GIFT SEPTEMBER 17, 1951 - GODS GIFT JANUARY 3, 2025

IN LOVING MEMORY OF Sweeney Jesse

Sweeney Arnette Brown, born September 17, 1951, brought light and love into the world as the cherished daughter of Florence (Lacy) McChristian and Richard Brown, and the beloved stepdaughter of Louis McChristian (Mack), whom she adored as a father.

A proud graduate of Worthing High School. Sweeney dedicated herself to helping others from an early age, volunteering as a “Candy Striper” at local hospitals while still a student. After attending nursing school, her compassionate spirit continued to shine through in her work. Shortly after attending nursing school, and getting married she became known to many as “Jesse”. She went on to accept Jesus Christ as her Lord and Savior. Sweeney later dedicated a decade of service to Metro Lift as a driver, where she built meaningful connections and left a lasting impact. Her nurturing heart found its greatest calling in childcare, where she cared for countless children, blessing families with her tender and loving touch. To all who knew her, she was lovingly known as “Gee-Gee,” a name that will forever echo with warmth and kindness.

Sweeney was preceded in death by her fathers, Richard Brown and Louis McChristian; her grandmother, Eula Mae Holley, Ola Lacy Bell (Aunt Baby Sister) James Lacy Jr.; and her adopted sister, Earline (Plump).

On January 3, 2025, Sweeney completed her journey on this earth, transitioning peacefully into eternal rest. She leaves behind a legacy of love and cherished memories in the hearts of her children—Keith, Glenn, Crystal, and Christina—and her grandchildren: Joshua, Quin’Taviha, Qua’Vone, Glennisha, Kyrese, Jalenn, Daija, Amori, Christopher, Vance, Christyn, and Tyree. She also leaves her adopted nieces Paula, Denise, and Michelle, Cousins: Shelly and Sean along with a host of extended family, nieces, nephews, cousins, and dear friends who were touched by her remarkable life.

Sweeney’s life was a testament to love, selflessness, and unwavering kindness. Though she is no longer with us, her light will continue to guide and inspire all who were fortunate enough to know her. She will be deeply missed and forever remembered.

Cherished Memories

Growing up in the same house as you was the best way to start life. I'll forever miss you—your beautiful face and your voice. You're my angel now, and I'll always make you proud. I promise to let nothing break up the family in your honor.

I'm hurt.

I LOVE YOU, GEEGEE...

— SONNY

As the baby for a long time, it was always just me and you riding it out. I'm forever grateful for all the memories and special times we shared. You never liked the camera, but one thing you would always do was dance with me. I'm so glad I captured those moments of you getting up and jamming with me. From all the stories I hear, you were the life of the party—and you know I definitely get that from you. Rest easy, Ma. I love you. Until we meet again, you're forever in my heart. P.S. I know you're in good hands now. Tell my daddy I miss him—I know you loved that “big man.”

— TINA

Geegee, thank you for being the strong, loving force that anchored us all. I can't explain the love, lessons, character, and values you gave me over time in just one paragraph. You were truly one of a kind, and your legacy will shine brightly as we honor you each day. I'm grateful for the time we shared and the foundation you built. Rest peacefully, knowing the family you nurtured will continue to grow, thrive, and make you proud. Your life inspires us to strive for better, to carry forward your love and values, and to pass them down to future generations. Forever watch over us and guide us along our paths of purpose until we meet again.

Loving Tributes

My girl, I really can't believe this. I love you, and I'm so thankful God sent me you. You were my girl, my world, my bestie—nobody will ever understand me the way you did. You will always be that missing piece of me; you took a part of me with you. I'm going to miss our talks, being messy with you, or just calling to say, “Hey girl.” I'll keep making you proud. Thank you for being my Geegee, my girl, my world. See you later, my love.

— MAMA CAKES (AMORI)

Love you, Geegee. You will forever be in our hearts.

— JOSH, JAELENN, DAIJA, NISHA, TYREE

I love you, baby. You'll always be a part of my world, living inside of me. I love you, I love you, I love you. Mama, now it's time for you to really get some rest—you're finally back in your own spot, lol. I beg you to please keep me strong. Just promise me that when my time comes, you'll be there waiting for me. Rest easy, baby, until we meet again.

— LOVE, SWEET P

I love you. You're going to be missed. May God guide you to higher heights.

— LOVE, PAULA

Mama as I search for words there are no words to describe the most beautiful relationship I've ever endured the one between you and I an unbreakable bond that nothing and no one could come between. We loved each other with no boundaries and that ment everything to me. You have always been there for me, my back bone and my rider. I don't know how I'm supposed to go on without you "My Girl" for as long as I can remember it's been you and I. Girl just know I will cherish the 41 years we've spent together. I'll hold our love, which was strong, pure, funny, and endless until "my heart stops beating" I will celebrate your life. You may be gone physically but I pray your unconditional love and perseverance stays with me forever. So, my baby your beautiful soul is free and happy! It's still not goodbye it's ... See you later girl!

LOVE CHRIS

GeeGee, losing you has been the greatest heartbreak of my life. I've never known a world without you, and the thought of not being able to call you, hug you, watch our favorite shows, or even sleep next to you fills me with so much pain. But in my heart, I know that with losing you, I've also gained the greatest angel to guide me through life.

Your unconditional love shaped me into the person I am today, and I am forever grateful for all the wisdom, strength, and love you instilled in me. You were more than a grandmother—you were my biggest supporter, my safe place, and my heart. I wish we had more time, but I know that with your guidance from heaven, I'm capable of accomplishing everything you believed I could. I'll carry your love and legacy with me every step of the way. I couldn't have asked for a better grandma. And im grateful to have had you for as long as i did Thank you for being my everything.
