A Beautiful Life

On July 6, 1954, the breath of life was given to **Shelia Rene (Johnson) Green**. Lovingly born to George and Gloria Johnson. She was the fourth child of nine children.

Shelia lived a very happy and energetic life with a bright smile and much joy for living. Shelia loved her family, and her wisdom and love will be carried forward by surviving children and all loved ones.

At an early age she accepted Christ as her Lord and Savior. She grew up attending Scottcrest Christian Church, where she was an active and cherished member and served as music director. She later united with Double Portion Baptist Church under the leadership of Pastor Mark S. Falls.

From the tender age of 9, Shelia developed a deep and abiding love for music, especially through playing the piano and organ. What began as a childhood joy quickly blossomed into a lifelong calling. Over the years, she served faithfully as a pianist and organist for many churches, bringing comfort, inspiration, and joy to countless congregations.

Shelia graduated from Worthing High School in 1971 and continued her education at Texas Southern University. In 1974, she was united in marriage to Louis Green Jr., and their union was blessed with one child: Nickitah Green. Following the dissolution of her marriage, she went on to find new happiness and later welcomed Nichole Green with William Green.

In earlier years, she dedicated her career to serving others with kindness and professionalism, spending many years as an Administrative Assistant at MD Anderson Cancer Center.

She is preceded in death by her mother, Gloria Johnson, and her father George Johnson. On April 30, 2026, a radiant soul full of grace and light, was called home. Like an angel returning to the heavens, legacy of love, kindness, and beauty that will forever bloom in our hearts.

She leaves to cherish her precious memories: her daughters, Nickitah Green-Riley (Leroy) and Nichole Green; brother, Mark Johnson; and a host of nieces, nephews and other relatives and many friends.

"My mom was truly one of a kind"

She could light up a room with her laughter and calm a storm with her hug. She had the uncanny ability to turn even the most mundane moments into cherished memories, like our late-night snack adventures or her hilarious commentary during family game nights. While it's hard to imagine life without her, I know she'd want us to smile, share stories, and keep her humor alive. Mom, you'll always be the heart of our family.

"To My Twin"

I already miss you twin. My phone conversations are not going to be the same. Who else is going to leave me a voicemail saying Hello Nichole this your mother Sheila Green. Please call me back. My rides are definitely not going to be the same. I'm going to miss pop quiz you on music. You still are a 10 out of 10. It hits hard knowing I won't be driving Ms. Daisy anymore. I will cherish all of our great memories and allow them to carry on in my heart. I'm lost for words.

- Nichole "Sunrise" -

"My Second Mother"

*You became my second mother the day
I got married and joined the family.
You loved me and made bonding with you easy.
I will really miss you, Mama.*

Special Tributes

From My Heart to Yours

My dear family...

*Don't remember me with sadness,
Don't remember me with tears,
Remember all good times,
Shared throughout the years.
Now I am contented
That my life was worthwhile,
Because I know by loving you
That I made you smile.
When you are walking down the street
And you've got me on your mind,
I'm walking in your footsteps
Only half a step behind.
So please don't be unhappy
Just because I'm out of sight,
Remember that I'm with you
Every morning, noon, and night.*

Love, Shelia "Sunset"

*"Gone from our touch,
But never our hearts."*
